Franklin Lakes Nature Preserve Trail Map

Trails in Franklin Lakes Nature Preserve and nearby High Mountain Park Preserve are built and maintained by the people who love and use them through volunteer service programs organized by the New York-New Jersey Trail Conference.

This map is provided as a courtesy by the Trail Conference and is adapted from *Jersey Highlands Trails: Central North Region*, a two-map set that shows more than 230 miles of trails in the New Jersey Highlands. Trail Conference maps and books are your guides to hundreds of miles of hiking paths in the New York-New Jersey region. Our full-featured maps are printed in color, show elevation contours, and are waterproof and tear-resistant. **Look for them at outdoor stores, order online at www.nynjtc.org, or telephone 201.512.9348.**

The New York-New Jersey Trail Conference is a nonprofit organization that partners with parks and mobilizes thousands of hard-working volunteers who create, maintain, and protect 2,000 miles of public trails in the region.
