

2005 GROUP LISTING

The NY-NJ Trail Conference wants to help its member clubs gain new members and publicize your group. Our Group Member Listing is sent to all of our new members and to anyone who inquires about hiking groups in our area. Over the last year, more than 5,000 print copies were distributed and thousands of people access our website. We want to be sure the information contained on your group is included and accurate.

Please review your current club listing and complete the update form below.
