## Walking Trails

|   |                               |                  |
|---|-------------------------------|------------------|
| <b>Mills Loop Trail</b>   | <b>White</b> blazes           | <b>1.5 miles</b> |
| Mills Loop Trail is the primary wide walking trail around the reservation. The Trail starts near the Normal Avenue parking area and is a complete loop.   |                               |                  |
| <b>Eastview Trail</b>   | <b>Blue</b> blazes            | <b>1.1 miles</b> |
| Eastview Trail follows along the East edge of the reservation. The Trail can be reached at either the Normal Avenue parking area or the Old Quarry Road parking area. There are many short side paths to lookouts over the edge out towards Eastern Essex County and New York City.   |                               |                  |
| <b>Woodland Trail</b>   | <b>Purple</b> blazes          | <b>0.8 mile</b>  |
| Woodland Trail runs down the center of the reservation. The Trail begins and ends on other trails in the reservation.   |                               |                  |
| <b>Reservoir Trail</b>  | <b>Red</b> blazes             | <b>1 mile</b>    |
| Reservoir Trail runs along the West side of the reservation near the City of Newark Cedar Grove Reservoir. The Trail can be reached at either the Normal Avenue parking area or the Old Quarry Road parking area. It can also be accessed from Reservoir Road by foot only.   |                               |                  |
| <b>Lenape Trail</b>   | <b>Yellow</b> blazes          | <b>1.5 miles</b> |
| Lenape Trail passes through the reservation on its way from Roseland to Newark. The almost 40 mile trail connects most of the Essex County Parks facilities together with a single connecting trail. It enters the reservation to the west of the Normal Avenue parking area and exits down the hill into the Mountainside Park. It can also be accessed at the Old Quarry Road parking area. |                               |                  |
| <b>Lenape Link Trail</b>  | <b>Black on Yellow</b> blazes | <b>0.1 mile</b>  |
| Lenape Link Trail is a short trail connecting the Normal Avenue parking area and the entry of the Lenape Trail into the reservation at the north side on Normal Avenue.   |                               |                  |
| <b>Mills Gate Trail</b>   | <b>Orange</b> blazes          | <b>0.1 mile</b>  |
| Mills Gate Trail is a side loop of the Mills Loop Trail that goes through the original entry gateway to the reservation. The gateway was originally used as the primary entry to the reservation up from Mountainside Park.   |                               |                  |
