

Regional Trails Council (RTC)

Program Coordinator, Staff

Supports programs in partnership with volunteer leaders, land managers, and partner organizations.

Local Trails Committee (LTC) Chair

Accountable for planning and reporting on the maintenance and development of the trails or lean-tos in a defined geographic area. Supports Trail Supervisors, Corridor Managers, and Crew Leaders.

Regional Trails Council (RTC) Chair

Creates and fosters a sense of community for the region by organizing and running meetings/gatherings throughout the year that help the region's volunteers gain insight and expertise on best practices and local operational issues.

Trail Supervisor

Oversees team of Maintainers to ensure their area's trails are maintained in good condition.

Corridor Manager

Oversees team of Monitors and ensures the Appalachian Trail boundary is protected.

Crew Leader

Oversees team of crew members to build and restore trails. Reports to LTC Chair where work takes place.

Sawyer

USFS certified to remove large blowdowns. Part of Chainsaw Committee.

Trail Maintainer

Cares for assigned 1- to 2-mile trail section.

Shelter Caretaker

Cares for assigned lean-to. Reports to Supervisor or Chair.

Corridor Monitor

Protects and monitors the Appalachian Trail boundary.

Crew Member

Recurring or episodic volunteers that participate in crew projects.

Swamper

Anyone assisting a sawyer.

Note: Arrow indicates where bi-annual reports are to be submitted.
