

Hudson Highlands Gateway Park

Map adapted by the **New York-New Jersey Trail Conference** from *East Hudson Trails*, a three-map set that includes elevation contours, is waterproof and tear-resistant, and shows more than 160 miles of trails in the New York Highlands east of the Hudson River.

The **Trail Conference** supports parks by mobilizing thousands of volunteers who create, maintain, and protect 2,150 miles of public trails. Support trails and the work of our volunteers by **purchasing** great trail maps, **volunteering** on the trails, or simply **visiting** nynjtc.org for more info.
